The senior team of the Montclair A. C. went to Hackensack on Saturday last and were again defeated by the Oritani Field Club by the score of 10 to 2. Although the men on the Elizabeth team appeared to be older and heavier than the Junior boys, they were not "in it" ments, hereditaments and real estate here-from the start. For the Junior team shortest term, not exceeding thirty years, for Kenneday played well in centre field, also C. O. Truex at third-base and M. C. Truex as catcher. Tarr. He Was Tired of Living. Theodore Smith, an inmate of the poor house and a life-long resident of Bloomfield, committed suicide on Wednesday afternoon by taking a dose of Paris green. It is supposed that he obtained the poison from some of the farmers who had been using it on their potato plants. Smith took an overdose of the stuff, causing him to vomit. This attracted the attention of the matron, Mrs. Baum, who immediately sent for Overseer of the Poor Voorhees, and he, accompanied by Officers Smith and Mahoney, went to the house and brought Smith before Justice Post. He was taken from there to the Mountainside Mrs. I. C. Cowles of Cleveland, O., an Hospital, where he died yesterday

When asked by the Overseer why he took the poison, he said he wanted to die as he "had no business to live," and as the town would have to bury him "they might as well do it then and be done with it." Smith was formerly a hatter. He was well educated and came from respectable parents. Rum, however, caused his downfall. At times he would brace up and try to make a new start in life, but it seemed to be of no use. He was under the influence of drink when he committed the act that cost him his
